

Anthony Catanzarite

President

Tony began his career in the financial services industry in 1991 after 13 years as an accountant, predominantly as a manager for two Fortune 500 companies. A 1978 graduate of Saint Joseph’s College (Rensselaer, Ind.), he holds a degree in Accounting and Economics. In 1996, Tony established Catanzarite Financial Services, Inc.

Tony met his wife, Dolores—to whom he has been married for 33 years—at Saint Joseph’s College. They have four children: Christina, Joseph, George and James. Tony’s experience of raising a family, putting three children through college, planning for the college education of his 15 year old son, and an active role in the care of his grandparents offers a unique and valuable perspective to financial and ethical issues facing families of all ages today.

Part of the Catanzarite value system is giving back to the community. Tony has been involved in coaching basketball and baseball for 20 years. He is a member of Holy Family Parish, Knights of Columbus, and has been active in Marian High School’s *Knights in Need* Program since its inception in 1998. Tony enjoys playing golf and cooking out with family and friends on weekends.

“My goal is to fully understand the values of my client and implement a flexible, tax-efficient strategy that not only meets their goals and objectives but also reflects their family values.”
